Hondo, Texas, November 1, 1913. The Hon. R. H. Burney, Judge of the District Court of Medina County, Texas:

Your Grand Jury for the Fall term, 1913, of the District Court of Medina County, Texas, beg to report that we have finished our labors and to be discharged.

We have examined into all violations of the laws that have been reported to us, and have returned bills in all cases where we felt that the evidence was sufficient.

We have inspected the County Jail and find the same in splendid sanitary condition and well kept, and that the inmates are well cared for in every respect.

We recommend that your Honor appoint a Finance Committee in accordance with Art. 10 of the Revised Statutes of Texas, to examine the books and accounts of the various county and precinct officers and generally to examine into and audit the finances of the County and to report at the next term of this court.

We wish to commend the County commissioners for the excellent centennial walks that have been constructed as a part of the courthouse property, and suggest that the walk be extended from the front gate of the courthouse yard to the southeast corner of the court house block.

We recommend that the flies in the courthouse be looked after for the purpose of obviating the smoke from which we have suffered a good deal this week.

Respectfully submitted,  
W. T. HENSON,  
Foreman of the Grand Jury.

## Married.

A pretty church wedding was solemnized in Hondo Tuesday, November 11th, when Mr. Alfred Schilenz and Miss Barbara Leinweber were united in the holy bonds of matrimony by Rev. A. Falkenberg in the Lutheran church at 3 p. m. Mr. Christian Niethenhofer and Miss Minnie Leinweber were bridal attendants.

After receiving the congratulations and best wishes of the attending relatives and friends the bridal party enjoyed an auto ride about town and the happy couple left on the evening train, in a shower of rice, for San Antonio and other eastern cities.

The groom is a rising young stock-farmer of the upper Hondo and the son of Mr. and Mrs. Louis Schilenz. The bride is a pretty and accomplished daughter of Mrs. Katie Leinweber of the upper Hondo.

The young people are very popular and have a large circle of friends with whom the writer unites in wishing them a long and happy married life.

## The Higher Law.

"The Higher Law", which will be here Nov. 21st is the latest of Oscar Graham's plays. As author and producer of such marked successes as "A Prince of His Race", "The Stumbling Block", "Circle C Ranch", "Shadows of the Past", and latterly his novelization of the play, "A Prince of His Race", he is known far and wide as a writer and purveyor of thoroughly high class and extremely popular drama and fiction. His plays are marked by that persistently dominating quality of moral uplift and are fraught with an optimistic endeavor to leave the auditor impressed with a newer and stronger faith in something better than the sordidness of material injustice.

Oscar Graham and his company will be seen here in "The Higher Law" Friday, Nov. 21st.

In speaking of Oscar Graham and his Company in "The Higher Law", a recent press review states:

"There is always a strong vital theme for every one of Mr. Graham's plots, there is always a happy commingling of laughter and tears, there is always a smoothness and finish to

MR. OSCAR GRAHAM

every performance; a clean cut and well groomed appearance to the actors and a noticeable attention to details. "The Higher Law" has all the elevating qualities of Mr. Graham's other plays. It is something to make one think and to give one a better faith in his fellow man.

"The engagement of Oscar Graham and his company should prove of interest particularly for the reason that he comes here year after year and always with something new. Mr. Graham is somewhat unique in that he is both author and actor of his productions. His last season's play, "The Stumbling Block", was considered one of the best ever seen here. It was highly commended both for its dramatic force and high morality. In "The Higher Law", another play of the same type is promised. It is said to present a most absorbing theme which in its unfolding demonstrates a great Truth—a Truth which in the ordinary course of affairs most all of us fail to realize; and that is, the far reaching effect of assiduously practicing the golden rule.

"The company includes most of the old favorites who have been associated with Mr. Graham for so many years, such as Loretta Graham, Ed Paulus, Fred Wascher, Wm. Gray and Ray Read."

"The Higher Law" will be at the Auditorium, Friday, Nov. 21st.

A Tribute of Respect.

WHEREAS, It has pleased our Heavenly Father to take from our midst our beloved friend, Mrs. Mary Kirby, who was one of the charter members of the local Woman's Christian Temperance Union, and one loved by all for her exemplary and consistent life.

THEREFORE, BE IT RESOLVED: First, That in the death of Mrs. Kirby the W. C. T. U. has lost one of its beloved members and supporters. Second, That while we do not grieve as those who have no hope, as we feel that our loss is her gain, we therefore submit to Him who doeth all things well. Third, That we tender our sympathy and condolence to her bereaved husband and foster children and commend them to trust the God whom she delighted to serve. Fourth, That a page be set apart in our W. C. T. U. register on which to record her memoriam and a copy be furnished each of the Hondo papers, also the Texas White Ribbon.

MRS. J. R. CHANCEY,

## Railroad Strike.

A strike of the engineers, firemen, conductors and brakemen on all the divisions of the Southern Pacific railroad from New Orleans to El Paso went into effect at 7 o'clock Thursday evening. The last train through Hondo was a freight which passed through about eight o'clock Thursday evening going in to San Antonio. The west bound passenger train, due here at 10:30 that evening, was annulled as was also the east bound passenger Friday morning. No. 9, carrying the mail, came through about 12:30. No freights have run up to the hour of going to press.

The inconvenience to the public is very annoying and it is hoped the strike will not be prolonged.

## What Do You Know About Any Motor Car Save the One You Own?

JUST think of the cars you have ridden in during the past year; and have you driven any other car than the one you own? Not one automobile owner in a hundred rides a dozen times a season in any other car than his own.

Under such conditions, with a limited knowledge of other cars, it is natural that every motorist is apt to think his is the best car built.

It is like the man who claims that his town is the best—yet who never goes to any other town. Remember the old Second Reader story about the pigs that thought they knew the world until they got out of the pen and climbed the mill?

## Now Let's Make a Good Examination of Six-Cylinder Cars

If you have never driven a Six, you can know nothing of their smoothness.

The man who never saw an electric lamp could easily be persuaded to believe that a kerosene lamp was just as good. If you never drove a Six, you might easily be led to think that a Four could be made to run as smoothly.

You'll never know the difference except by actual experience.

Riding in a Six will convey some of the sensation. You'll get that feeling of flying. You'll not experience any vibration. The motor will purr—almost noiselessly—and because there is a constant power impulse being imparted to the rear wheels, the grind and growl of the rear axle will not be heard.

But, when you take the wheel, you get an entirely new sensation in motoring. It is not high power that accounts for it. Four-cylinder motors can be made

just as powerful as a six—or a one-cylinder could be, for that matter.

But, nothing short of six cylinders, through any design that engineers have ever conceived, will produce the smoothness and flexibility.

## How to Determine Six-Cylinder Difference

Of course, all Sixes are not equally smooth. Design means much.

To be sure to get the very finest impression of what a Six means, drive a HUDSON Six 54.

Go to any HUDSON dealer. If you drive, have him let you take the wheel, and over any road, through the maze of city traffic, over the rough roads, up hill and down, you will see why it is possible to do 300 miles in a day with safety and comfort.

## New Features in HUDSON Six 54

Fully equipped with every necessary detail, \$2250.

### Mr. Bryan's Paper, The Commoner.

Through the columns of The Commoner Mr. Bryan meets the attacks of those who are opposed to Democratic reforms, as well as the clever misrepresentations made by the organs of the "Special interests." As an exponent of the plans and purposes of the national Democratic administration, The Commoner is of unusual interest to all progressive citizens. Mr. Bryan's signed editorials give a timely discussion of public questions and are interesting and valuable to all students of governmental affairs. It is a big 32 page monthly. Many of our readers are already Commoner Subscribers; many others may desire to be. To make it convenient as well as inexpensive for our readers to send subscriptions to The Commoner we have arranged with Mr. Bryan to furnish his paper to our readers, at a special low rate. ### A Good Reason.

While traveling through the rural districts of Missouri, a book salesman approached a farmer, and stood for several minutes importuning him to buy the book he was selling. Presently the farmer blinked his eyes and said, "No, it ain't no use. I can't read."

The salesman paused a moment and then said, "But you must have some one in your home that can read. Your wife, your children—I know they would be interested."

"Yes, my daughter can read," replied the Missourian, "but she's got a book."

## AN INCESSANT COUGH.

### Continued Dropping of Mucus into my Throat.

A severe cough is always a grave symptom. It may not indicate organic disease of the lungs. Even though the cough is a functional disturbance it is of sufficient gravity to demand prompt attention.

The dropping of mucus from the back part of the nose into the throat indicates nasal catarrh. Sometimes this goes on a long time before the patient pays any attention to it. It is stated on good authority that mucus dropping into the throat in this way is apt to excite catarrh of the stomach. At any rate, the condition ought to be corrected as soon as possible.

Mrs. Bourland, of Frankston, Texas, found after using Peruna that not only did the incessant cough disappear, but the dropping of mucus into the throat had also ceased. Read what she says:

"For twenty-three years I was a constant sufferer from chronic catarrh. I had a severe misery and burning in the top of my head. There was almost a continual dropping of mucus into my throat, which caused frequent expectoration. My entire system gradually became involved, and my condition grew worse. I had an incessant cough and frequent attacks of bilious colic, from which it seemed I could not recover. My bowels also became affected, causing alarming attacks of hemorrhages."

"I tried many remedies, which gave only temporary relief, or no relief at all. I at last tried Peruna, and in three days I was relieved of the bowel derangement. After using five bottles I was entirely cured."

"I most cheerfully recommend the use of Peruna to any one similarly afflicted."

People who object to liquid medicines can now obtain Peruna Tablets.

## WHAT THE KIDNEYS DO

### Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—which vary widely but many include pain in the back, headache, nervousness, hot, dry skin, rheumatic pains, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right the danger is overcome. Doan's Kidney Pills have proven an effective kidney medicine.

D. Arnold, Pearsall, Tex., says: "My kidneys were disordered and the kidney secretions were irregular and painful in passage. I had pains through my back and kidneys. I tried different remedies but nothing helped me until I began taking Doan's Kidney Pills. They gave me relief."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Arnold had. Foster-Milburn Co., Props., Buffalo, N. York.

### Ouch!

"We don't have any grass growing on our streets," sneered the New Yorker.

"No, I dare say not," replied the Philadelphian. "I suppose your street-car horses nibble it off as they browse along."

—November Lippincott's.

### Pain in Back and Rheumatism.

Torment thousands of people daily. Don't be one of these sufferers when for so little cost you can get well rid of the cause. Foley Kidney Pills begin their good work from the very first dose. They exert so direct an action on the kidneys and bladder that the pain and torment of backache, rheumatism and kidney trouble is soon dispelled. W. H. Windrow.

### Two Brokers.

"When you are short on certain stock What do you do?" one broker cried. The other's answer was a shock.

"I grin and bear it!" he replied.

The Remington Cube And the  
Autoloader always ready

**REMINGTON-UMC**

**AUTOLOADING  
SHOTGUNS**

ANY way you look at it, the Autoloader is the  
highest development in modern shotgun  
design. It puts five loads at your disposal by  
merely pressing the trigger. It puts the recoil to useful  
work—to eject the empty and slip in the fresh shell.  
It saves the gunner's shoulder—rids his sport of  
annoyances—increases his shooting average.

Your danger is that in your enthusiasm over the  
autoloading principle, you may forget to insist on  
getting the finest embodiment of that principle—the  
Remington-UMC Autoloading Shotgun.

The peculiar advantages of the Remington-UMC are too  
many to detail here. What you want to do is to get one  
of the Remington-UMC dealers in this section to demon-  
strate them to you on the gun itself.

# AGRICULTURAL LAND FOR SALE!

## Improved and Unimproved

In placing my holdings on the market, consisting of lands around Charlotte and Jourdanton, both improved and unimproved, I do so with the knowledge that these lands are most favorably situated and offer every convenience to those seeking homes. Within easy reach of every point are modern gins, well equipped schools, commodious churches, good roads lead everywhere, to nearby railroad stations and the best markets in Texas.

This property has not been offered earlier because these very necessary advantages were not to be had, but now they are a reality—nothing is left to speculation or future contingencies. Settlers now have all the advantages that can be found anywhere in a fully developed community without paying! the prices that are asked in the older sections. You can have the benefit, for I am offering you the most desirable opportunity in Texas.

These lands are as good as can be had in South Texas; there are no better anywhere. Plenty of water can be obtained on any tract and shallow wells can be located at small cost furnishing an abundance of good water. The soil is fertile, there are no crop failures on these farms and no irrigation is necessary. No section of the state offers a more healthy or delightful climate, winter or summer.

## How to Secure a Handsome HAND DECORATED Dinner Set Free!

Trade is never so brisk but any store can handle more of it. Being no exception to this general rule we expect to increase our business by offering for CASH TRADE premiums of the greatest value that have ever been given out.

A housekeeper may acquire a whole set of this chinaware at absolutely no expense by simply buying the goods you need in our line of us at prices always the lowest.

We desire to inform you that we have a contract with the oldest and one of the largest potteries in the United States to furnish us with a quantity of High Grade, Richly Decorated Semi-Porcelain Ware. The arrangement we have made with this pottery enables us to keep the Pattern in open stock and as an advertisement to place a handsome dinner set in every home in this vicinity.

The quality of this ware is first-class in every particular, the utmost care being taken in its manufacture, and it will not break or chip as easily as most ware does, and is guaranteed against crazing. The decorations are burned into the glaze, thus making them permanent.

The distribution of these handsome dinner sets will not effect our prices in any department. All goods you buy from us will represent the most and best that your money can buy elsewhere.

We are giving you an opportunity to secure a complete DINNER SET as an advertisement to increase our business and to show in a substantial way that we appreciate your trade.

We accordingly extend you a special invitation to call at our store and inspect these beautiful dishes. It will be to your advantage to call at once so we can explain to you our plan in detail.

Be sure you get the genuine "Star Brand" shoe with the name of Roberts, Johnson & Rand on the sole and their star on the heel.

The "Patriot", "Pilgrim", "Pleek", "Society", "Mayflower", "Tees-Ted", "Our Family", "Stronger-Than-The-Law", "Soft and Good", etc., are all "Star Brand" shoes. All are leather. No substitutes for leather are ever used. You can get them only at our store.

## 1914 BUICK CARS

No line of Motor Cars at any price can show more value than will be found in the Buick for 1914.

Every time tried feature is retained and such new ones as have demonstrated their worth have been added.

The Famous Overhead Valve Motor will continue to demonstrate itself as the greatest power producer ever used in an automobile.

The same economy of fuel consumption, same durability and consistent service coupled with the old recognized reliability insures the same reliable Buicks.

The Delco system for starting, lighting and ignition is recognized as the very best apparatus of its kind and its installation in every model proves our contention that nothing is too good for the Buick.

All equipment will be in keeping with that standard and permits the assertion that more than ever will the past leadership of Buick cars be maintained and strengthened for 1914. For demonstrations and other particulars see—

## COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst. I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework. I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off. I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it. After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely. I fattened up, and grew so much stronger in three months, I felt like another person altogether." Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution. Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy. Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.

A Barbed Wire Cut, Collar or Saddle Gait not properly healed leaves a disgusting scar.

**Bailard's SNOW LINIMENT**

Is the Right Remedy for All Abrasions of the Flesh.

If the wound is cleaned and the liniment applied promptly, the healing process begins at once and the wound heals from the inside outwardly, thus performing a perfect cure that leaves no scar. If the wound heals on the outside too quickly, pus forms under the surface and breaks out into a running sore that is hard to cure and inevitably leaves a bad scar.

Owners of blooded stock prefer this liniment to all others for that reason, and they use it not only on fine animals, but on human flesh, as it does its work quickly and thoroughly.

**FOR DELICATE CHILDREN**

**A Mother's Letter to Mothers.**

Mrs. E. W. Cooper of Bloomfield, N. J., says: "My child, seven years old, had a bad cold and was weak and quite run down in health. She had been in this condition for about six weeks when I began giving her Vinol. It was a wonderful help to the child, breaking up her cold quickly and building up her strength besides. I have also found Vinol a most excellent tonic for keeping up the children's strength during a siege of whooping cough."

Vinol is a wonderful combination of two world-famed tonics—the medicinal body building elements of cod liver oil and iron for the blood, therefore it is a perfectly safe medicine for children, because it is not a patent medicine, everything in it is printed on every package, so mothers may know what they are giving their little ones.

Therefore we ask every mother of a weak, sickly or ailing child in this vicinity to try Vinol on our guarantee.

## To prevent disease— resist disease germs

SMALLPOX is prevented by vaccination — the injection of vaccine.

DIPHTHERIA is prevented by the injection of anti-toxin.

These enable the body to produce substances which prevent the growth of smallpox and diphtheria germs in the blood.

There are many other diseases, nearly, if not quite as dangerous, and far more common — typhoid fever, the grippe, bronchitis, pneumonia, catarrh, rheumatism, and a score of others — that can be prevented less painfully and more easily by making the body strong to resist germ infection.

## Olive Oil Emulsion

(With Hypophosphites)

Is designed for the prevention as well as the relief of disease — by enabling the body to overcome the germs. It, at the same time, strengthens and tones the nerves, nourishes the blood, puts the entire system into a proper healthy condition to combat and successfully resist disease.

Every person not in perfect health has incipient germs of some distressing ailment in his or her system. Cold weather, over-work, excesses of any kind, are liable to bring about just the conditions under which those latent disease germs will get the upper hand, and put you on your back "down sick."

You who are run-down, tired-out, nervous — You who, though not sick enough to give up, still don't feel good — You who are apparently well, and want to stay well — Take home a bottle of Rexall Olive Oil Emulsion today, and use it as a means to get well and keep well.

Rexall Olive Oil Emulsion is a real nerve-food tonic. In this it is different from most other so-called "tonics" which either have no food value and do nothing more than temporarily stimulate you, leaving you in a worse condition than before or, having food value, still are so unpleasant to take that many people can't keep them down.

Rexall Olive Oil Emulsion is pleasant to take. The Hypophosphites it contains tone the nerves. The pure Olive Oil nourishes both nerves and blood.

Rexall Olive Oil Emulsion strengthens you, puts snap and ginger and vitality into your system. It makes you feel better and stronger. It improves your digestion and your bowel action.

It contains no alcohol nor any dangerous or habit forming drugs.

It is guaranteed to be just as represented above — to do all that is claimed above — to satisfy you in every way, or your money back without quibble or question. Enough for full two weeks' treatment, \$1.00.

Sold only at The Rexall Stores — the World's greatest Drug Stores — and always with a full guarantee of complete satisfaction, or your money back.

**THRILLING GREEK DANCES**  
FOR FIRST TIME IN THE SOUTH  
GRECIAN DANCES WILL BE WITNESSED AT NO-TSU-OH.

**THOUSANDS OF CHILDREN DANCE**  
As Grecian Dances Among the School Children of This Country Are Fast Taking the Place of Other Dances.

Greek art is being revived throughout the civilized world, due to the long work of Du Rizski of Florence, Italy, who established a school of Greek art in that city a number of years ago, his especial efforts being with the upper classes, among the children of the nobility.

From Florence this work has spread throughout the world, and Grecian dances among the school children of this country are fast taking the place of folk dances and other calisthenic exercises that have been very popular among the schools during the past few years.

In Liverpool, England, a few weeks ago, during one of the fetes, more than ten thousand school children participated in the Greek dances, and those of this country who witnessed these exercises, and there were many, make the statement unqualifiedly that it was the most inspiring site they ever had the pleasure of witnessing.

For the first time in the South Grecian dances will be given in Houston during the No-Tsu-Oh celebration, November 10 to 15.

Mrs. McFadden, who brings these exercises to Texas, is a pupil of Du Rizski, having spent a number of years in his school of Greek Art in Florence.

Her work is among the school children and she will have charge of the Children's Day feature of the No-Tsu-Oh, which will be given on Friday of No-Tsu-Oh week.

Superintendent Horn and the members of the school board as well as all the school principals and teachers and the school members are co-operating with Mrs. McFadden, and it is the expectation that there will be classes from each of the twenty-three schools in the city, as well as classes from the three schools in Houston Heights.

The children will be attired in the simple Grecian costume of blue and white and will represent all the mythological characters, and will go through all the Greek dances and exercises.

They will be formed in a pageant, and will be under the escort of the Boy Scouts, and the companion organization, the Campfire Girls.

There will be fully three thousand children in line, and they will march with floral wreaths and the arrangement will be very beautiful.

Each school will represent some particular design or myth story, while the climax will be the human flag. Strictly American, the children forming the stars and bars in red, white and blue.

The pageant will move along the principal streets of the city, accompanied by a number of bands, and will halt at the Federal square, where the exercises will be given.

This will be one of the No-Tsu-Oh headliners. It will be educational as well as entertaining. In fact, it will be worth going many miles to see, and since there will be low rates on all the railways, it is expected that this feature alone will draw many thousands of people.

**Rare Works of Art Stolen.**  
Twenty-five thousand dollars worth of art were stolen from the church of San Mossimo, Padua, Italy, recently. Early in the morning, the thieves broke into the church and carried off two magnificent paintings by Giovanni Battista Tiepolo. The pictures hung in the side chapels on either side of the high altar, and were wrenched from their frames in such a hurry that portions of the canvas were left on the frames.

**Rats Fought for Comrade.**  
Rats defeated a comrade at Hungerford, near London, England, on a recent night. An engineer at the Hungerford outfall works of the London Sewage system struck a large rat when making his rounds. Immediately scores of rats appeared and attacked the man fiercely, tearing at his trousers. Taking to his heels, the man was pursued by the animals for several hundred yards.

**Proper Beneficiary.**  
"Since you worked your examples so nicely," said the pretty teacher, "I shall give you a kiss." "Teacher, I didn't know there was to be a reward," responded the honest urchin. "It's only fair to tell you that my big brother did them sums."

**"Horey" Australians.**  
Englishmen are supposed to be the most "horey" people in the world, but they are far behind many other countries in regard to the number of horses per head of population. In this respect Australia leads the British empire, there being 45 horses to every 100 people.

**Daily Thought.**  
To be alive only to appetite, pleasure, pride, money-making and not to goodness and kindness, purity and love, history, poetry, music, flowers, stars, God and eternal hopes, is to be all but dead.—Maltbie D. Babcock.

### A Fine Barbecue.

On Sunday, November 9th, Mr. and Mrs. Emil Graff of Lower Hondo gave a barbecue dinner to a large crowd of relatives and friends. The day was pleasantly spent in conversation.

At 12 o'clock the crowd was summoned to dinner, where a long table, set under the shade of the giant oaks, fairly groaned under its load of barbecued goat meat, turkey and other edibles, where all ate to their heart's content.

In the afternoon the crowd was treated to some fine music by Misses Nora Reed and Lina and Minnie Graff. The weather was fine as if made to order and two "Capt. John Smiths" lent their share to the merry-making.

The singing of the young folks and the shouts of the children made the bottom fairly ring.

In the afternoon at 4:30 o'clock the lunch was served, consisting of coffee and cake.

Those in the crowd were: Mr. and Mrs. Emil Graff and children, Mr. and Mrs. Geo. Haass Sr., Mr. and Mrs. Blocker and children, Mr. and Mrs. F. L. ## A TRIED AND PROVED GUARANTEE

Man Bought a Bottle of Dodson's Liver Tonic, Then Took It Back and Asked for His Money and Got It.

A man recently tried out the guarantee which W. H. Windrow gives with every bottle of Dodson's Liver Tonic. He bought a bottle and then went back to the drug store and said the medicine hadn't helped him.

This druggist just reached into his cash register and took out a half dollar, the price of the bottle of Liver Tonic, and handed it back to the gentleman. But he didn't take the money. He owned up that he was just trying the guarantee and, as a matter of fact, he had found Dodson's Liver Tonic the best remedy for constipation and biliousness he had ever tried.

"Why," he said, "my wife wouldn't be without a bottle in the house for anything. It's the best thing in the world for the whole family, and the medicine that I prefer to take or to give to my children for a lazy liver."

W. H. Windrow sells Dodson's Liver Tonic and guarantees it to start the liver without violence. It is taking the place of calomel everywhere. If you buy a bottle and don't find this pleasant-tasting vegetable liquid the best thing to start a lazy liver, he will hand your money back with a smile.

### A TEXAS WONDER.
